Hi Richard,

Authorization 181120011. This location had Multiple RVs which have been removed to make way for a cleanup. Encampments remain with hazards remain in the area blocking the sidewalk.

This location is missing all 3 signatures.

Matthew can confirm if outreach has been conducted.

Can we schedule this location on an upcoming CD 01 cleanup date? Possible upcoming dates are 1/16, 1/22.

Pls note attached photos of The 100 block of Llewellyn Street taken today.

There were well over a dozen bikes in and around the 2nd encampment when checked last.

Thank you,

George,  
Would you be willing to swing by and take photos of the area and send them to Officer Ramirez, please? This way we can get the cleanup started.  
Thank you, Sir.  
Stephen

Hey Sir,

Just wanted to follow up with you regarding Llewellyn St. I saw the email where you said, "In addition to the two that were towed by OPG, two others were towed away through private means. With the 4 total RVs and a trailer gone, cleanup efforts can begin."

Can you please send me updated photos of the trash and debris left at location. Once we have updated photos the UHRC can properly coordinate with Sanitation to address the matter as quickly as possible. I've CC'd Salvador from watershed who is standing by awaiting photos.

Thank You for your efforts. We are glad to know everything went smoothly.

Respectfully,
